

New!
for Duette® and
Plissé Shades

SmartCord™ and LiteRise® operating system

Designed with safety and comfort in mind

Luxaflex® Smart Cord™

Smooth single cord operating system for Duette® Shades

The revolutionary Luxaflex® Smart Cord™ operating system uses a retractable cord mechanism. The cords move smoothly to raise and lower the Duette® Shade with exceptional ease to meet your unique convenience and safety needs.

- Constant cord length means there are never any long, dangling cords to detract from the appearance of the shade.
- Increased safety for children and pets.
- Operating system is colour coordinated with any choice of Duette® fabric.
- Suitable for large windows up to 360 cm width.
- Now available with the complete Duette® Shades collection.

Luxaflex® Lite Rise®

The easiest and safest way to operate your Duette® or Plissé Shade.

The Lite Rise® cordless system makes raising and lowering Duette® and Plissé Shades easier than ever. Simply push up to raise and pull down to lower. Your shades stay right where you put them.

- Intuitive ease of operation.
- No lift cords for a clean, uncluttered look.
- Elimination of lift cords means increased safety for children and pets.
- Proprietary design holds blinds and shades securely in any position - no constant adjusting, making it easy to raise your blinds or shades to an even height.
- Operating system is colour coordinated with any choice of fabric.
- Suitable for large windows up to 240 cm width.
- Now available with the complete Duette® and Plissé Shades collections.
